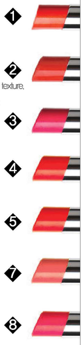
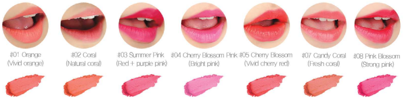
True Color

Colornique's Matte-Type Lipstick is available in seven colors that creates seven different looks. This product is made of skin-friendly ingredients such as olive oil, macadamia seed oil, avocado oil, and porous powder, which delivers a long-lasting and vivid color with a non-sticky texture. Express yourself with vivid lip colors and make your lips more attractive with Colorniquete Lipstick

MATT LIP STICK

Colornique





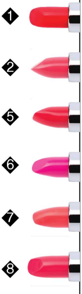
#01 Orange (Vivid orange)	#02 Coral (Natural coral)	#03 Summer Pink (Red + purple pink)	#04 Cherry Blossom Pink (Bright pink)	#05 Cherry Blossom (Vivid cherry red)	#07 Candy Coral (Fresh coral)	#08 Pink Blossom (Strong pink)

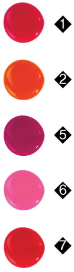
Sexy Color

This product adds a vivid color to your lips and its creamy texture expresses a sexy image. Make your lips look more natural by applying it on your lower lip and rubbing the lips together to evenly distribute the gloss.

CREMY LIP STICK

Colornique
COLOR & UNIQUE





Colornique

Reversal Color

Argan and avocado oils hydrate your lips, keeping them soft and moist all day long. One of the benefits of this color-changing lipstick is that it offers a non-sticky and refreshing application.
