

Vitamin Lamp Products

Vitamin Lamps are high power lamps for public lighting. Save up to 70% more power without replacing existing luminaires with conventional high power lamps (HID). **A more economical solution.**

Easy HID Retrofit

Energy Efficient

Longer Lifetime

Omni-Directional

Quick Payback

Standard Sockets

Do not discard your existing luminaire.
Use it as is.

Item ID	Watt.	lm	lm/W	CCT (K)	CRI (Ra)	Weight (g)	Size (mm)	Price (KRW)
23284148	60	9,000	150					265,000
23284145	75	10,575	141					276,000
